- 1 Smooth Setback Recovery returns the temperature to a comfortable setting up to two hours before you return home, depending on outdoor conditions
- 2 Smart Away™ mode uses the GPS in your smartphone to detect when you're leaving, and automatically changes the temperature to a more energy-efficient setting
- 3 Schedule IQ™ is a one-time programming feature that senses changes in your routine and adjusts heating and cooling to match
- 4 One-Touch Away mode overrides your regular programming schedule when you're away and automatically turns down heating or cooling to save energy
- 5 Energy Reports show you how often and how long your heating and cooling system has run for the month
- 6 Feels Like™ setting takes into account temperature and humidity to make your home feel exactly like you want
- 7 Automatic Changeover switches between heating and cooling, depending on indoor temperature
- 8 Allergen Defender monitors the air quality and pollen levels in your local zip code and automatically turns the fan on as needed to clean your home's air
- 9 Perfect Temp works with your system to heat or cool as needed to preserve your temperature in any weather
- 10 Humidity control works with the system's attached humidity system to optimize moisture levels
- 11 Remote capability when used with a smartphone or other web-enabled device
- 12 Weather-On-Demand allows you to view forecasts and air quality conditions in your area
- 13 Precise Comfort® Plus holds your home's temperature to within 0.5 degree or better when used with premium Lennox® equipment
- 14 Allows you to control the thermostat with voice commands. Requires separate purchase of Amazon Echo or Echo Dot. As of the date of this publication, Amazon Echo devices are not available for purchase in all countries. This reference is intended for use with US-based thermostats only. Alexa and all related logos are trademarks of Amazon.com, Inc. or its affiliates.
- 15 Apple HomeKit technology provides an easy, secure way to control your home's lights, doors, thermostats, and more from your iPhone, iPad, or Apple Watch. To control this HomeKit-enabled accessory, iOS 10.2.1 or later is recommended. Apple, Apple Watch, iPad, iPad Air, iPhone, and iPod touch are trademarks of Apple Inc., registered in the U.S. and other countries. HomeKit is a trademark of Apple Inc.
- 16 Google is a trademark of Google LLC.
- 17 Customizable reminders allow you to choose the alerts you want to appear on the home screen
- 18 Works with premium Lennox communicating equipment
- 19 Works with Lennox non-communicating equipment and most other brands of heating and cooling equipment

NOTE: Due to Lennox' ongoing commitment to quality, all specifications and ratings are subject to change without notice. Warranties noted apply to residential applications only. Please see actual warranty certificate for details. Always verify actual system efficiencies through AHRI or by visiting AHRI ratings database at www.ahridirectory.org.

ENERGY SAVINGS WITH A TOUCH

Lennox® thermostats and zoning systems allow you to control your heating and cooling around your family's schedule. So you stay comfortable and energy smart, all with just a touch.

FINANCING YOUR SYSTEM

Enjoy more comfort and purchasing power. Take advantage of flexible financing options that allow you to enjoy the innovation, precision and efficiency of Lennox on your terms.*

*Subject to credit approval. Minimum monthly payments required. See your Lennox Dealer for details.
