Standard-Efficiency

13HPD
R-22-Ready
Heat Pump

Warranty:
5-year limited
—compressor
—components

Dependable, efficient operation and long-lasting quality make Aire-Flo the brand to trust when every dollar counts.
Energy Efficiency
• 13 SEER
SEER stands for Seasonal Energy Efficiency Ratio and is a measure of cooling efficiency and performance. The higher the efficiency rating, the more efficiently the unit operates and the greater your energy savings.

Reliable Performance
• Compressor motor designed for quiet, reliable and efficient operation
• Corrosion-resistant cabinet made with strong, heavy-gauge, pre-painted steel is built to last
• Tested for leaks and proper operation at the factory to ensure faultless performance

Home Comfort
• Precision-balanced, direct-drive fan sends hot air and noise up and away from your home
• Condenser coil and fan system designed with copper tubes and louvered fins for maximum heat transfer capability
• Equipped with adjustable defrost control that allows technicians to regulate defrost operation at 30-, 60- or 90-minute intervals

Warranty
• 5-year limited warranty on compressor and components.

Get comfortable and stay that way
If your heat pump needs replacing, and you want to keep costs down by using your existing air handler or furnace, the 13HPD is a choice you can be comfortable with—day in and day out, year after year. It allows you to avoid the costs of ongoing heat pump repairs, while also saving you the expense of replacing fully functioning indoor equipment.

Ready to work with R-22 equipment
Built for long-lasting performance, the 13HPD stands out on its own as a solid, affordably priced heat pump and is designed to work with air handlers and furnaces that use R-22 refrigerant. To assure compatibility, your Aire-Flo dealer will install the unit to meet all applicable performance requirements.
